"The most valuable thing about Corporate Green's
Game Improvement Weekend is that you have
stroke saving techniques ingrained in your mind
that you'll recall on the course; not just next
week, but next year." - Chi Chi Rodriguez

Our Top PROS Share Their Secrets

Learn how to tell what you did wrong, why you did it, and fix it on the very next shot!

- Hit longer, straighter drives
- Hit more fairways & greens in regulation
- Chip & pitch the ball closer
- Putting clinic - sink more birdies and save more pars
- Cure hooks, slices, thin & fat shots
- Receive "Individual Prescription" instruction to fix what you need fixing the most
